Minutes will be sent out after the meeting.**

Hope to see you there !!!

Can't attend, fill out an APCOA Proxy Form and Get Represented !!!

Need a Proxy Form, please contact Ann George.

#### **Lisa Copeland – New Member of the Board of Managers**

We are pleased to announce that Lisa Copeland will be the new APCOA Board Manager. Lisa will replace Ed Bistline whose term will expire at the APCOA Annual Meeting on November 5, 2011. Lisa submitted her Application for Board Manager in early August and with no other applications being received, will begin her 3 year term at the APCOA Annual Meeting.

Thank you, Lisa, for your willingness to serve and your commitment to the APCOA.

#### **Waste Treatment Plant**

At the August 16, 2011 Kimberling City Board of Alderman Meeting, the board approved a project designed to reduce the odor generated at the Waste Treatment Plant. The project recommended is to slop the currently flat Influent Basin floor. Per Mr. Travis Tucker, Director of Public Works for Kimberling City, the project would begin in late August to drain and clean the basin and begin the preparation for pouring the new sloped floor. We appreciate the efforts of the city to improve the situation with the Waste Treatment Plant and will continue to work with them in addressing the issues of odor, noise, and view.

## Survey Results

Thanks for your response to the July 2011 Survey. We had a 66% response rate from all owners. The results of the July 2011 Survey were mailed in the September Newsletter. There was overwhelming support for the APCOA to investigate wireless Internet access for owners and guests and the development of a web site to improve communications. As we investigate these services and determine costs, this information will be distributed to all owners.

There were also questions about the APCOA insurance as well as some insurance claims by owners this year. The APCOA insures only the structure and common grounds of the Anchor's Point area. Specific association coverage is defined in the by-laws. Personal property in the unit is not covered by the association insurance coverage. The association also maintains a \$10,000.00 deductible. Most insurance companies will provide Condominium insurance to cover personal contents and may offer a rider to cover the association deductible as may be assigned to a unit owner as well. We encourage owners to secure insurance for their unit(s).

We appreciate all of the comments submitted and will address many of them at the Annual Owners Meeting.

## Contact Information:

We would welcome your ideas, suggestions, and comments about what you would like to see in the Quarterly Newsletter. So if there is a topic you would like to hear about, information you would like to know, something to contribute, or direct a comment to your Board of Managers, please contact Ann George.

All correspondence to the Board of Managers or any APCOA business should be directed to:

Ann George, APCOA Secretary
