

Anchor's Point Owners: Owners Update - July 26, 2015

New owner information is now available on the Anchor's Point website.

Flood Hazard Determination:

COA Info Page:

The Standard Flood Hazard Determination Forms for each of our 3 buildings is now available for downloading from our website. This form is sometimes required by financial institutions when purchasing or refinancing a unit. Each of our buildings has been identified as **Flood Zone X**, which means that the building is **Not in a Special Flood Hazard Area**. Therefore, Flood Insurance should not be necessary.

Cove Building	371 Anchors Point Lane	Units 400 - 464
Pool Building	393 Anchors Point Lane	Units 466 - 482
Bridge View Building	407 Anchors Point Lane	Units 484 - 532

Annual Meeting Forms:

Annual Meetings Page:

Proxy Form: The 2015 Proxy Form is now available for downloading. Submission instructions are provided on the form.

Manager Application: The Manager Application Form is now available for downloading. Completed forms must be submitted by September 1st.

We hope you find the APCOA website both interesting and informative. If you have suggestions for the website, please let us know.
