

Owner Update – February 21, 2021

Water Shut Off – Bridge View Building – Units 484 – 532 – Wednesday; February 24th

On Wednesday; February 24, 2021, there will be a **Water Shut Off for units in the Bridge View Building, Units 484 – 532**. The water will be shut off for several hours, but the exact time of the shut off on Wednesday is not known.

Other Anchor's Point Units, 400 - 482 will not be affected.

The water shut off will be for several hours while workers do some piping in preparation for connecting our water system in May.

We recommend storing water prior to the shut off for your personal use and for flushing.

We will keep you updated should anything change.

Thanks for your continued cooperation.
