

Owners Update - Parking Lot Construction: May 6, 2021

Parking Lot - Schedule Update:

Thursday: (Morning)

- East Side was Completed at about 11:30am
- The striping process added 5 parking spaces.
- Cars parked on West Side were moved to East Side
- **East Side is now Open; However:**
 - To park on the East Side you will need to enter through the one lane Exit Road by the Well.
 - Please be careful and look out for outgoing or incoming traffic on that one lane road.
 - Owners in 526 - 532 now have full access (with new parking spaces) and Pool Building now has full access
 - Owners in Cove Building will need to walk on the ground level walks to access your units.

Thursday: (Afternoon)

- **The West Side is now Closed**
 - Cars may not Enter or Exit from the West Side
 - All access to Anchor's Point is from the Exit Road - Use caution as described above
 - Cracks are being filled and any Asphalt work will be completed

Friday: (Tomorrow)

- **The West Side will still be Closed**
 - Sealing will be done
 - Weather predictions of rain or winds may postpone Sealing
 - Undoubtedly the Sealer may blow in the wind and we cannot stain cars or buildings
 - Striping will be done, as long as it is possible.
 - **If the Sealing and Striping cannot be accomplished on Friday**
 - We will try to Open the West Side to provide full parking lot access for the weekend
 - We will need to Close the West Side on Monday morning
 - Word of the Week: **Flexibility**

Our thanks to Hollister Asphalt for working with us and adjusting their schedule to complete this project.

Thanks for your continued Cooperation and Support.
